

DESIGN TECHNOLOGY CURRICULUM AUDIT

FOCUS AREA: CURRICULUM PROVISION

SECTION 2: Design Technology in EYFS

Key Questions:

- Does the Key Stage 1 curriculum in design technology build upon children's experiences in EYFS?
- Does the children's experiences in EYFS prepare them for future learning in design technology?
- How do practitioners lead and support learning in design technology in EYFS?

Are there opportunities for children in EYFS to:

- Explore and investigate objects and products?
- Construct and make using a range of materials and resources ?
- Experience and use a range of tools to carry out practical tasks?
- Cook with food using utensils and demonstrate simple skills in cooking?
- Talk, discuss and extend their vocabulary related to design technology?

Strengths**Weaknesses****Improvement Actions:**
